# HANKOOK

Industries Pvt. Ltd.

**We connect our business to the world**

## INTRODUCTION

- Gaius Industrial Systems Co., provides international strategy service and GIC offers international sales activities.
- GIC has **HanKook Elevator & Materials** and **HanKook Industries** in India
- **HanKook Industries** made spin off from **HanKook Elevator** which was established in 2012 in India.
- GIC plays a significant role as a driving force for **world class products** and **top class service**.
- GIC proactively deals with the **rapid-changing business environment** by diversifying their product portfolio, by making their business more agile and by identifying new business models.
- GIC has globally 8 overseas centres and two of HanKook in India are the most core pro-active centres.
- **Hankook Industries** offers mainly **Multi Level Car Parking Systems, Crane & Hoist, Passenger Elevator / Freight Lift Series, Escalator, Passenger Board Bridge, Dock Leveller, Conveyor, Steel Structures** and some other products as minors.

**Design**

**Safety**

**Service**

○ Global Hub by Globalization

○ World Class Product

○ Localization

A stage with red curtains and spotlights. The stage is set with a wooden floor and a red curtain backdrop. Five spotlights are visible on the floor, casting a warm glow. The curtains are held back by silver rings on the sides. A red banner with white text is overlaid across the middle of the image.

# **Our Work**

1990'

GIC was established as a trading company in 1992  
(Their original company in 1965)

Joint Partners with Elevator/ Car Parking and Crane  
& Hoist

2000'

International sales distributionship  
agreement with foreign partners

- ARCK (France)
- OPW (USA)
- ICAN, HITACHI, FUJI (JAPAN)

2010'

Overseas Management Centres:  
2010 - Japan, China, Hong Kong  
2011 - Algeria, Srilanka, France  
2012 - **India**, Thailand, Malaysia

## HANKOOK 1

### ELEVATOR / LIFT

**Freight  
Home  
Hospital  
Car**

### ESCALATOR

**Escalator  
Moving walk**

### MLCP

**Tower Type  
Puzzle Type  
Rotary Type  
Platform Type  
Stackers**

### CRANE & HOIST

**Over Head Crane  
(SG, DG)  
Jib Crane  
Mono Rail System  
Gantry Girder**

## HANKOOK 2

### Dock Leveler

### Conveyor

### Steel Fabrication

### PBB

Table (Width)	Table (Length)	Lip (Length)
2000 mm	3000mm	420mm
Load ton	Pit 1 mm	Pit 2 mm
5/6/7/8	700~800	1000~1400

These conveyors are suitable for light and heavy duty applications for large and bulky material handling.

## DAEHAN 1

### Elevator AC

Item	Unit
Cooling Capacity	2,900 Kcal, 11,880 BTU.hr
Power	1PH / 220V / 60HZ
Motor	Evaporator fan (A) 0.35, condenser fan (A) 0.4
Weight	38 kg
Power Consumption	0.9kw, 4.2A
Airflow CMH	1st stage 330, 2nd stage 380, 3rd stage 460

### E Cleaning

**E – Clean Safety:**  
Insulating Detergent for  
Electric/ Electronic  
Equips

### Automatic Steel Door

### COP/ LOP Buttons

**Specialized in main PCBs,**  
buttons, Car Operating  
Panel, Hall Indicator  
Button, Car Position  
Indicator, hall lanterns  
and etc.

## DAEHAN 2

### Hoist

**Over Head Hoist  
(SG, DG)  
Foot Mounted  
Mono Rail  
Chain Hoist**

### End Carriage

**EN-8 Wheel material with  
induction hardening.  
Global standard bearings  
make SKF / FAG / ZKL and  
easy spares replacement  
at any location.**

### Design Sheet

**Metal Plus  
Steel Plus  
Art Metal**

### Vertical Store

**The most modern and  
cost-efficient Storage  
and Retrieval system  
for today's industry.**

- Over Head Crane (Single, Double Girder)
- Gantry Cranes/ Semi Gantry Cranes
- JIB Cranes/ Wall Travelling JIB Cranes
- Under slung Cranes
- Mono Rail Systems/ Light Cranes Systems
- Winches
- Anti-Sway System, Anti-Snag System, Auto Centering System
- Hoist Range: Bando(국산), HanKook(자생), Street(영국), Kito(일본), Carl Stahl(인도)

HanKook is also elevator specialized company certified as growing company with new technology and technology innovative company in approval on the technology and potential growth from Korean government.

FREIGHT LIFTS

In association with HanKook Elevator

- **Traction Type** (기계실 타입)
  - **MRL Type** (기계실 없는 타입)
  - **Hydraulic Type** (유압기 타입)
  - **Winch Type** (원치 타입)
- 
- ❖ **Door: Automatic, Manual**
  - ❖ **Door Open Type: Up/Down, Centre Open, Sliding**
  - ❖ **Door Type: Stainless, Mild Steel, \*IFG**

1. Control function of transportation ability with variable speed
2. Security strengthening with improvement of moving of treadle and minimizing crack between treadles
3. Pursuit convenience and safety with flexible curve design
4. Satisfying international industrial standards such as EN(Europe), ASME(USA), JEAS(Japan)
5. Minimizing using electricity

In association with Simmatech Park, MATIZ

**Since 1992**

**Over 70,000 parking  
Spaces**

**98 Overseas Projects**

**23 Countries**

## Major Clients

- **LAND MARK (Credai)**
- **C S I Hospital (Kanchipuram)**
- **APPASAMY HOSPITAL**
- **KIA MOTORS INDIA**
- **SAMSUNG**
- **DAEBU AUTOMOTIVE SEAT INDIA**
- **MANDO AUTOMOTIVE INDIA**

## Partners

- **HANKOOK ELEVATOR KOREA**
- **SIMMATECH PARK KOREA (MLCP)**
- **IL JIN CRANE & HOIST KOREA**
- **NIPPON INDUSTRIES JAPAN (STEEL FAB)**
- **MATIZ CHINA (MOVING SYSTEM)**
- **CARL STAHL CRAFTSMAN INDIA**
- **SIERRA ENGINEERING SRI LANKA**
